## FOR IMMEDIATE RELEASE

### **ALL AMERICAN GAMES ANNOUNCES THE OPENING OF ALL-AMERICAN MARCHING BAND AUDITIONS; PARTNERS WITH ALUMNI-OWNED COMPANY, NOTEWORTHY RECRUITING**

**13 April 2018** – All American Games (AAG), the owners and producers of the All-American Bowl Presented by American Family Insurance hosted annually in San Antonio, TX, is proud to partner with NoteWorthy Recruiting as auditions are accepted for the All-American Marching Band Program. The All-American Marching Band performs at halftime of the All-American Bowl and has become the most prestigious all-star band program for high school seniors. Students receive an all-expenses paid trip to San Antonio, TX and are equipped with uniforms from DeMoulin Brothers Uniforms & Co. and instruments from the KHS America Academic Alliance including Jupiter, Mapex and Majestic brands. Students are selected in cooperation with All American Games, the National Association for Music Education, and Drum Corps International.

Now in its twelfth year, the program celebrates successes not only as a great opportunity for students, but also the successes of alumni who have moved into the professional realm.

The Founder/CEO of NoteWorthy Recruiting, Sean Evans, was a member of the inaugural All-American Marching Band in 2008. "I'm honored to be supporting this same organization that did so much to influence and motivate me into furthering my passion for music, which at that time for me was continuing with marching band at the collegiate level as a non-music major," said Evans. "Being involved with music is a never-ending process. I look forward to hearing this year's top student-musicians and seeing where their talents take them!"

"We are excited to be partnering with NoteWorthy Recruiting to host our audition profile this year," stated Christine Ulatoski, All-American Marching Band Program Manager, and alumna of the 2009 All-American Marching Band. "Thanks to their generous support, this enables All American Games to offer online auditions at no cost to the student. We are grateful to be able to continue to offer this program as an all-expenses paid program from the start of auditions through until the end of the students' time in San Antonio."

Students may start their audition online by visiting [www.noteworthyrecruiting.com](http://www.noteworthyrecruiting.com) and creating a student profile. From there, they will select the "All-American Marching Band" audition button. Auditions will close June 1. Selected students will be notified this summer.

All American Games believes in preparing and inspiring the next generation to succeed, in their communities, in their classrooms and on their fields. Whether an athlete, or a musician, AAG strives to encourage student success nationwide.
